

HAIKU

Ariana Ananda Muresan

A new world

Tonight from the sun
A ruby has fallen down
Creating anew.

Nature's way

I

A beaver follows
The willow's bark to take home
Colonies await.

II

Through maple leaves
Caribou walks in autumn
A wolf syrup pours.

Midday

A swan's reflection
Of blue ripples in golden lake
Serene and peaceful.

Opportunity

Foreign lonely land
Vast forests, large lakes, fair trade
Possibility.
